

Fitting Report for Acetone

Description: Acetone, liquid phase at 10 bar

Source: Lemmon-JCED-2006; ; ;

Temperature: -75.0 °C to 143.3306533698651 °C

Composition: pure fluid

Density: equation to polynomial (4, 1)

Spec. Heat: equation to polynomial (4, 1)

Th. Cond.: no information

Viscosity: no information

Psat: no information

Tfreeze: no information

Legend: ● data — function bounds ● error
